There are parking lots at stations marked with a "P" on the map. Parking is free at all stations except Lake Merritt Station where it is 25¢. Special parking spaces are reserved for mid-day passengers and the handicapped. Parking lot restrictions are strictly enforced so please read all signs and obey curb markings.

LOST & FOUND

Lost and Found is located at the 12th Street-City Center Station. It is open Monday through Friday from 12 noon to 6 p.m. Call 465-4100 for information on lost articles.

BART & BUSES AND AMTRAK

Buses serving BART stations make it easy to go between BART and surrounding areas.

In San Francisco stations and Daly City Station, white MUNI (buses, trolleys, cable cars) machines sell a two-part transfer for 25¢. Buy the transfers before you exit the fare gates. Use one part for a MUNI ride away from BART and use the other part for the ride back to BART.

In East Bay stations served by AC Transit get a free transfer from the white AC Transit machine before you exit the fare gate. It's good for a free ride from BART. Pay the regular bus fare to return to BART. This transfer is not good on BART Express Buses.

BART Express Buses connect five BART stations (Walnut Creek, Hayward, Bay Fair, Concord and El Cerrito Del Norte) with outlying communities in the East Bay. BART Express Bus fares for adults are 25¢ or 50¢ depending on how far you ride. Senior Citizens 65 and older, Children 5-12 years old, and the handicapped with the Bay Region Transit Discount Card ride for 10¢ and 20¢. Children 4 and under ride free. Transfers from one Express Bus to another are available from the bus driver.

From Richmond Station, board AMTRAK trains to points east. Call 648-3850 for information.

HOW TO BUY A TICKET

Each person must have a ticket. To buy your ticket, check the fare information chart for destination and ticket value needed. Fare chart shows the fare for a one-way trip; double fare for round trip.

The ticket machines sell tickets worth 25¢ to \$20 so you can purchase a ticket good for several rides. There are two different types of ticket machines in each station, both well marked. One type will accept coins, \$1 and \$5 bills only and will not give change. The other type will accept coins, \$1 and \$5 bills and will give change. Neither machine accepts \$10 or \$20 bills. Change machines for coins and \$1 bills are available in all stations.

Special Note: BART ticket machines **will not** accept new Susan B. Anthony dollar coins.

To Buy Your Ticket

- Step 1 — Insert Money
Step 1a — If using machine that gives change, push the plus (+) buttons to value of ticket desired. If you go over value desired, push minus (-) buttons.
Step 2 — Check the ticket value window for amount of ticket desired.
Step 3 — To receive ticket, push the "Issue New Ticket" button or "Push For Ticket" button depending on which machine you use. If you are to receive change, it will be returned below.

You can add value to your ticket if there is \$3.95 or less remaining. Put ticket in old ticket slot, add at least 25¢ or more and follow the steps above. You will then get a new ticket combining the old value and the added money.

HOW TO USE YOUR TICKET

Insert your ticket into the fare gates. It will code your ticket, open for entry, and return your ticket. Save your ticket, you must use it the same way to exit. Upon exiting, the fare gates will deduct your fare. If you have fare remaining your ticket will be returned to you for reuse.

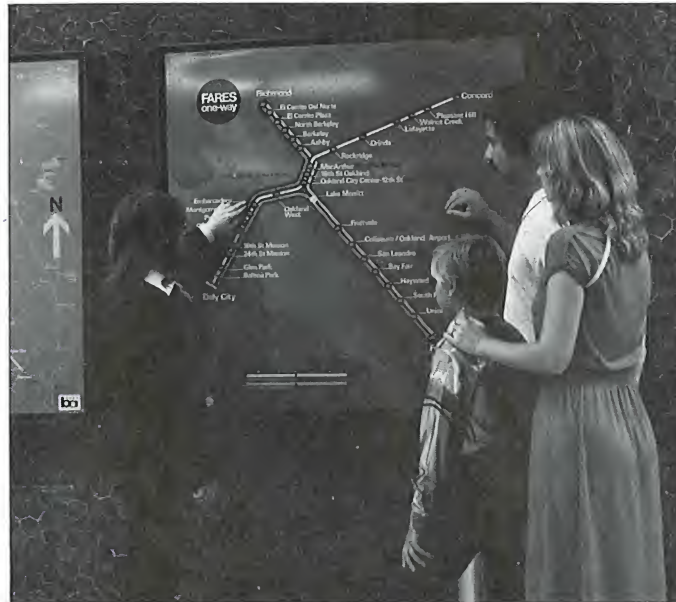

If your ticket does not cover the cost of the ride, your ticket will return and a sign on the gate will light up and indicate "Underpaid Go To Addfare". The addfare machine tells you how much additional fare you must pay.

To addfare:

- Step 1 — Insert ticket. Amount owed for exit will be displayed.
Step 2 — Insert exact amount. (Some addfare machines are equipped to give change others do not. Ticket is automatically updated and returned. The new printed value **will not show** on the ticket.)
Step 3 — Take your ticket and insert in exit gate.

Note: Addfare machine must be used at exit station only. **One dollar will be automatically charged if you enter and exit the same station, whether or not you ride BART. If you decide to leave the station after entering without taking a ride, see the station agent or call us on the white courtesy telephone before exiting through the fare gates.**
